

Emory Pipeline Collaborative (EPiC)

EPiC is a Health Careers Opportunity Program (HCOP) that prepares high school students for college success and entry into health careers. Once accepted, students are expected to actively participate through their high school graduation and respond to alumni check in surveys. The program includes 10 days during the summers after sophomore and junior years.

Benefits of Participation

- Pairing with an undergraduate mentor
- Exposure to health profession pathways
- Increased confidence in professional settings
- Aid in the college admissions and financial aid process
- Development of a college application portfolio
- Summer SAT preparation class
- Exposure to clinical skills simulations
- Visits to local colleges and health care facilities

Eligibility Criteria

- Enrolled at Carver STEAM, Douglass, Jackson, South Atlanta, or Washington High School
- Eligible for Free/Reduced Lunch program
- Current sophomore with at least a 3.0 GPA, enrolled in at least one honors, AP or IB course, or demonstrated potential.
- Interested in a career in health care
- Commitment to actively participate in 10 after school sessions during Spring Semester AND Summer Institutes before Junior and Senior years.

Admissions Process

- ✓ Attend virtual info session Oct 5, 5:30
- ✓ Complete online application
- ✓ Submit letter of recommendation and transcript by the deadline.
- ✓ Interview with EPiC administrators
- ✓ Notification of acceptance will occur before Thanksgiving

How to Apply

<https://www.surveymonkey.com/r/EAcademy21>

Applicants must submit all three parts by the deadline

Part I: Online Application

Complete the online application including responses to three essay prompts. **NOTE: The application CANNOT be saved and resumed on a different device later. We recommend that you prepare your essays before beginning the online application and then cut/paste your responses into the form.**

Required Essay Prompts (300-word max)

- Does your academic record accurately reflect your ability? Please explain.
- Why are you interested in a health-related career?

Choose **one** of the following prompts (300-word max):

- Who is your personal role model? Why and how do they inspire you?
- What is the greatest obstacle that you have had to overcome? What did you learn from this experience and how has it shaped your self-identity?

Part II: Letter of Recommendation

E-mail one letter of recommendation from a school official, teacher or guidance counselor to epicprogram@emory.edu. Letters should address the student's academic potential, character, and interest in health care.

Part III: Transcript

E-mail an unofficial, school-generated copy of your most recent high school transcript (inclusive of all current course work) in .pdf format to epicprogram@emory.edu
